Being a Good Citizen

Citizens! We always try our best.

Citizens! We are kind and show _____.

Citizens are people in your community

That make the world _____ for you and me.

Welcome to my classroom! I'm so glad you came.

I share my classroom with my classmates

And our teacher, who we are so glad to have.

We're all proud citizens of our class!

_____ are people that make up a _____,

Like this classroom, a city, or a country.

Since I'm part of a classroom community,

I try to be the best citizen that I can be.

But what does being a good citizen mean?

Taking care of our supplies, keeping our space clean,

And also doing what we can to create

A space where other citizens feel included and safe.

When we see a friend being treated unfairly,

We speak up, which takes a little _____.

We share with each other and work as a team,

Showing each other what being a good citizen means.

Citizens! We always try our best.

Citizens! We are kind and show respect.

Citizens are people in your community

That make the world safe for you and me.

My classroom isn't the only community

That I'm a part of.

There's more communities that are special to me.

My home, my city, and my country

Are all communities I'm a citizen of.

I'm so lucky!

I try to do my part wherever I go.

Being a good citizen makes the community grow.

I do chores to help my family when I'm home,

Such as doing the dishes and putting away dirty clothes.

I pick up litter at the local park

And recycle to keep the neighborhood clean and do my part.

I volunteer my time to help those in need,

Donating to food drives so everybody can eat.

I also follow the rules of the country that I live in

To make sure it's a safe place for all citizens.

By working together, we'll get the job done,

Making our communities a better place for everyone.

Citizens! We always try our best.

Citizens! We are kind and show respect.

Citizens are people in your community

That make the world safe for you and me.

And now that you've heard this,

What does it mean to you to be a good citizen?
