

# COMPARING & CONTRASTING THE COLONY REGIONS

**1** Fill in the Venn diagram below with similarities and differences between the New England, Middle and Southern colonies. Include information about geography/climate, major industries, economy, the experience of African and African-American people, way of life and reasons people came to the colony regions.

*Remember: put the similarities between two or more regions in the spaces where their circles overlap.*

Now, choose two of the colony regions. Use the information in your Venn diagram to write at least four sentences explaining how these two regions are similar and different.
