George Washington Carver - Vocab Cards

botany]>

the study of plants.

Botany is my favorite class; I'm planning on a career that involves the study of plants.

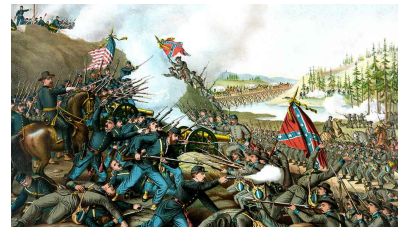

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

Civil War]>

the war (1861–1865) fought between the United States and the Confederacy, the 11 Southern states that had seceded from the Union.

When the _Civil War_ ended in 1865, there was still a lot of tension between the Union and the former Confederacy.

Use this word in a sentence or give an example to show you understand its meaning:

Make a connection between this word and another word or idea:

crop]>

a large amount of plants grown by farmers.

Corn is a _crop_ grown on many farms in the Midwest.

Synonyms: harvest, batch, bunch

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

crop rotation]>

a system of growing different crops on the same land in a certain order to preserve the soil and get the best results.

To keep that section of her land healthy, the farmer used _crop rotation_, planting radishes one season and beans the next.

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

soil]>

the upper layer of earth. Plants and trees grow in it.

The farmer planted the seeds in the _soil_.

Synonyms: earth, ground, land
