# INTERACTION TODAY:

## Humans and the Environment in Current Events

As we can see in current events around the world, the environment continues to shape and be shaped by us. For this activity, find examples of human-environment interaction in news stories featured in the **Week in Rap**.

For example, the **Week in Rap** from June 26, 2015 featured a story about Pakistan's heat wave. After watching the video and reading the Interactive Lyrics, fill out the worksheet to analyze the human-environment interaction described.

1. Where did this event take place?

---

---

2. Briefly summarize the current event:

---

---

---

---

3. How did the environment affect people in this example?

---

---

---

Name \_\_\_\_\_ Date \_\_\_\_\_

**4.** How did people affect the environment in this example?

---

---

---

---

---

**5.** Based on what you've learned about this region, describe another way people and their environments might be interacting there or might have interacted in the past.

---

---

---

---

---

**6.** Would this interaction be possible where you live? Why or why not? What might be different?

---

---

---

---

---

Name \_\_\_\_\_ Date \_\_\_\_\_

7. In the space below, draw a diagram to show how this event is an example of human-environment interaction. Be sure to label the diagram. Give it a title and a caption as well.
