Primary & Secondary Sources - Vocab Cards

bias]>

prejudice; a tendency to favor one side or person.

The coach showed his _bias_ when he only picked tall boys for the basketball team.

Synonyms: prejudice, unfairness

Antonyms: fairness

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

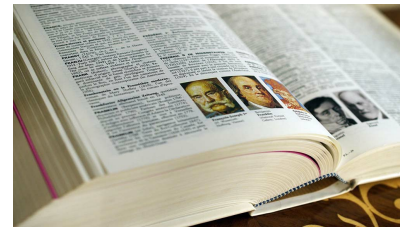

fact]>

something real or true.

A _fact_ about my great-grandfather is that he was born in 1922.

Synonyms: reality, actuality, truth

Antonyms: fiction

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

interpretation]>

the way that someone understands or explains something.

Hugo's _interpretation_ of the movie was completely different from mine. I thought the most important theme was about friendship, but he thought it was about education.

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

opinion]>

a belief, judgment or thought about something or someone.

Not everyone will agree but, in my _opinion_, Kendrick Lamar is the best rapper.

Synonyms: viewpoint, belief, view

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

primary source]>

a source usually created at the time in question that provides firsthand evidence. Examples include newspaper articles, photographs, diary entries, interviews and financial records.

I needed to use a _primary source_ for my research paper about women in colonial America, so I used Abigail Adams's letters to her husband John to support my thesis.

Use this word in a sentence or give an example to show you understand its meaning:

Draw this vocab word or an example of it:

secondary source]>

a source that was not created at the time being studied, but instead uses sources that were created at that time as evidence to draw conclusions. Scholarly books and articles are examples.

I am using this book on the Civil Rights Movement as a _secondary source_ for my research paper. The author analyzes interviews from several activists to draw conclusions about the era.

Use this word in a sentence or give an example to show you understand its meaning:

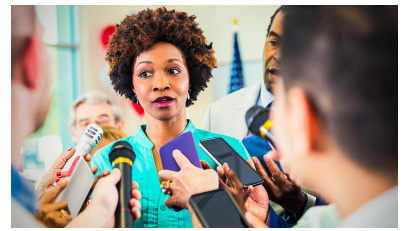

Draw this vocab word or an example of it:

source]>

a person or thing that gives information.

Are you sure that statistic is true? What _source_ did you find it in?

Synonyms: reference
