

Every president of the United States has been sworn into office with the following oath, written in Article II of the Constitution:

Do you believe the office of the presidency has mostly stayed the same since the Constitution was written, or has the job changed in a way the framers would not recognize? Explain your answer in two or three paragraphs.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
