# Trade Wars

TIERNEY:

Many things that say “Made in China” will now be more \_\_\_\_\_ in the US. And many things that say “Made in the USA” will be harder to sell in China. That’s ’cause the US and China are going back and forth, tit-for-tat, in a \_\_\_\_\_ war. Both sides are slapping the other with \_\_\_\_\_ — taxes that target \_\_\_\_\_ from just one country. The Trump administration says taxing Chinese goods is the only way to fairly let American companies compete. Others argue that this trade war will hit American \_\_\_\_\_ the hardest.
