ARE YOU URBAN, SUBURBAN OR RURAL?

Circle the type of community you live in.

Urban

Suburban

Rural

How do you know that you live in this type of community? Think about what the buildings are like, how far you live from places like school and stores and how you get from place to place.

Draw a picture of your community.

Name _____ Date _____

Now, pick one of the other types of communities that you don't live in. For example, if you live in a suburban community, you could pick urban or rural. Draw a picture of what your life would be like in this different type of community.
